Principal – Mrs Kellie Noske

Dear families and friends,

Students are looking forward to swimming lessons next Monday. Lets hope the weather stays warm!

We have begun planning our presentation night performances. Special costume requirements will be provided as soon as possible.

Don't forget about the Yalbayarra: Telling to Speak Art Exhibition Launch Day will on Saturday 25th November at the Wagga Wagga Art Gallery. This is a very special achievement for our school.

Enjoy your fortnight!

Mrs Morey and Mrs Gerhardy's Learning News Literacy

Nearing the end of Term 4, the students have been busily finishing off activities and consolidating on learning opportunities. The students are now putting their narratives from Mrs Gerhardy's Literacy onto an app called 'Toontastic'. The stories they have created are looking fantastic and the students have been very engaged in this activity. Over the last week students have been trialling a program called 'Typing Tournament' which gives students the

skills on how to most efficiently and quickly type their writing on the computer.

Maths

Students are doing revision based activities for Mrs Gerhardy in Space and Measurement and will be revising fractions and decimal concepts with Mrs Morey over this week then onto revision of all Number concepts for the rest of the term.

As you might be aware students are practising their end of year play for presentation night and should be practising their lines of an evening to know lines well for the night.

Enjoy your fortnight.

Mrs Menz and Mrs Noske's Learning News Literacy

Over the past week students have been completing literacy assessments in readiness for reports. This week our unit of persuasive writing will be completed. Our literacy over the next two weeks will revolve around special seasonal tasks.

Maths

Students are completing learning on chance this week and will be doing maths assessments next week.

Musica Viva

On Friday 10th November, Yerong Creek Public School went to Boree Creek Public School to do Musica Viva with a band called Doctor Stovepipe. They showed us the phono fiddle which was used to get dances started then the violin would start playing. They sang the song "Spider Pig" and "Spiderman." Doctor Ed, Doctor Jill and Doctor Jim taught us about music then we went back to school.

Greater Kengal Tennis Day

On Friday 10th November, Yerong Creek Public School went to Boree Creek to play tennis. 3-6 were mixed with a partner from another school to play with. Even though it was a hot day everyone tried hard. Everyone played 3 or more games. Joe from Pleasant Hills School and Hayden from Boree Creek School won overall. After tennis we got back on the bus and went back to school. By Molly.
