Principal – Mrs Kellie Noske

Dear families and friends,

It has been a very enjoyable first few weeks of school, with everyone settling into their learning routines.

I'd like to take this opportunity to officially welcome and introduce our 3-6 teacher, Miss Melissa Murray. We hope she enjoys her time at Yerong Creek!

Mrs Debra Gerhardy will be at school on Tuesdays and Thursdays for science/ library lessons and principal release.

Also welcome to our new student Charlotte. Charlotte has come to us from a very large primary school and has settled in to our smaller setting.

Our three Kinder students have made a great start to the year and are enjoying the challenges in the K-2 room.

The Greater Kengal swimming carnival was enjoyed by many and a special congratulations to our champion;

Senior Girl- Annie

Have a great week, Kellie

Dear families and friends,
Welcome to 2018!

It has been a pleasure getting to know the wonderful community that make up Yerong Creek Public School. It is an honour to be part of this school and become the new 3-6 teacher of 2018.

I am looking forward to the year ahead and hope you will enjoy it as much as I will!

Miss Murray

Greater Kengal Swimming Carnival

The Greater Kengal Swimming Carnival was held last Thursday at the Lockhart Swimming Pool. A wonderful day was had by all who attended despite the extreme heat on the day.

Many swimmers competed and won events with Annie winning Senior Girl Champion.

The Southern Riverina Swimming Carnival will be held at the Lavington Swimming Pool on Friday 23rd February. With increasing numbers at schools in the area, this year qualifying times have been used to determine which students can go on to compete at this carnival.

Due to this we only had one student who has qualified for the next level, congratulations to Chevee who made it on for the 100m freestyle.

Greetings from Bluearth

Bluearth is a movement and activity based program that uses the joy of movement to help children better understand themselves, peers, teachers and the important relationships that exist between them. In an inclusive and fun environment students experience a range of individual, partner and group activities to improve posture, function, self awareness and mindfulness. This helps build lifelong habits in physical activity and movement that is so important for children's development, health and wellbeing. With skilful guidance and reflection, amazing results have been achieved.

School Fees

The school fees are made up of a book levy and voluntary contributions. This is the same as last year at \$50 per student.

Book Levy - is \$40 per student, which contributes towards the textbooks and all the consumables the students use during the year, eg pencils, pens, rulers, folders, home reading book, etc.

Voluntary contributions – is \$10 for each student, which helps the school with items like tissues, soap, etc.

Please send in by **Friday 9th March** or contact the school to discuss a payment plan .

Coles Sports for Schools

Our school is participating in the Coles Sports for Schools program. Please collect the vouchers when you shop at Coles so that the school can receive sports gear.
