Week 10 Term 3 2018

Dear Parents and Carers,

Here we are at the end of another very busy term. It is hard to believe we have only one term left for the year! I would like to offer a heartfelt thankyou to the dedication shown by our staff and school community in assisting our students grow both academically and socially throughout the year so far and look forward to seeing their continued development as we approach the final term of 2018.

We are currently awaiting the build timeframe to replace the COLA over the toilet area and are hoping this will take place soon. Luckily, we are heading into the warmer weather now, where poor weather should not interfere with the construction. I will notify the school community of the build dates as soon as they are given.

After reviewing activities undertaken this term, it is little wonder everyone is feeling a little tired. Here is a recap of some of the things our school has participated in:

- Multicultural speaking
- Premiers debating
- Virtual arts excursions
- SAP training
- Enviromentors incursion
- Seven Steps to Writing training
- Kinder transition open day
- Science Week garden planting
- STEM garden project
- Bernie O'Connor football/netball gala
- STEM community of schools training

We have also welcomed two new students to our school this term, with both settling in well and making new friends quickly. Our students have demonstrated great kindness and have made sure Blaine and Travis have felt welcomed into their respective classrooms.

I look forward to seeing you all on Friday at our assembly. I hope you all have a fantastic break. I am taking some time during the second week of the holidays to visit my youngest daughter who has moved to Darwin. My class is looking forward to some photos I will take of the following topics of interest: crocodiles and clouds from the plane ☺.

Stay well and safe and I will see you in Term 4.

Kym Poidevin

K-2 Class News

Last week we put the finishing touches on our submissions for the HOME arts program and Mrs Poidevin will be taking them to the art gallery this week in readiness for the opening next term. If you haven't yet sent your RSVP, please do so by the cut-off date of October 5. It will be fantastic to see as many family members there as possible.

We have been busy completing our journals for the three way conferences- spending time reflecting on what we would like to focus on next term. If you have not been able to come in during Term 3, we can make a time early next term so

students can show you their learning and future goals.

We are ending this term with an investigation into the properties of 3 D shapes. We have enjoyed making and identifying shapes from nets. This learning will be built upon during Term 4 when we complete STEM activities. We will make 3D shapes to for our chosen robots to navigate around.

Have a lovely break.

Mrs Poidevin and students K-2.

3-6 Class News

Students have been learning about the structure and language features of Informative texts. This week they will be publishing an Information Report on an animal of their choice.

In maths they have been learning about fractions. This week they will be revising their learning from this term. Students have also been exploring different ways to represent data in tables and different types of graphs. They will be finishing the week looking at the appropriate way to represent surveys.

Students have been learning about cyberbullying during health over the past few weeks.

Enjoy the holidays!

Mrs Noske

P.S Go the Magpies!!!

FRIDAY FUNDRAISERS

Hot chocolates \$1.00

Pies \$3.00

Sausage Rolls \$2.00

Sunsafe Policy- No hat, play in the Shade

Next term our sun safe policy will be enforced. Each student is required to wear a bucket hat, while out in the sun. Caps are not permitted. If the student does not wear one they will have to play under the COLA area.

MAMA – Nghadi Ngurang Official Opening

The students will travel by bus to Albury on Thursday 18 October to the official opening of the art display – Nghadi Ngurang. Students had earlier in the year participated in a workshop to make Eel Traps which will be on display,

paintings which were done at school will also be on display.

Could parents who are attending the opening please RSVP to MAMA by Friday 5 October to: hmitchell@alburycity.nsw.gov.au

Tell Them From Me Parent Survey

The Partners in Learning parent survey is part of the Tell Them From Me suite of surveys on student engagement. The parent survey helps to clarify and strengthen the important relationship between parent and school. A note will be sent home with a link to participate.

Supporting Reading at Home

If your child makes a mistake and corrects the error-

Offer praise or support for making the correction.

Good fixing.

I like the way you fixed that up.

CALENDAR EVENTS

ASSEMBLY

The assembly for families and friends will be held on the last day of school, Friday 28th September @ 2.45pm.

Anti-bullying NSW Strategy

The NSW Anti-bullying Strategy brings together evidence-based resources and information to support NSW schools, parents and carers, and students to effectively prevent and respond to bullying. Information on the current research can be found in the NSW Department of Education's literature review, https://education.nsw.gov.au/student-wellbeing/media/documents/attendance-behaviour-engagement/behaviour/Anti-Bullying-in-Schools_What-Works.pdf
