**Week 4  
Term 4  
2019**

*We had a visit to the Art Gallery in Wagga last week to view the artworks produced this year for our study on Aboriginal artists. The results were very impressive and we will take part in this program again next year.*

*Our school will be conducting a Remembrance Day Service at Stan Galvin Park on Monday 11<sup>th</sup> November. We would like to invite all members of the community to attend.*

*Kym Poidevin  
Relieving Principal*

## **Dear Families and Carers**

*I have returned to school today after a week of personal leave to find the tanks full of water and the grass a little greener than when I left! Hopefully this is the start of a little more welcome rain to our area leading up to Christmas.*

*I would like to thank the hard working staff at Yerong Creek for the extra workload they took on in my absence. It was greatly appreciated by myself, and the students have been filling me in on the great learning they have done while I've been away.*

*Please remember the change of date for our P and C meeting in Week 7 this term. It is the 18<sup>th</sup> November at 3.30pm. At this meeting I will be presenting the new zoning area for our school, and feedback from the parent community will be recorded and sent to the Department of Education for the final boundary areas to be formalised.*

## **K-2 News**

While I have been away, the students have enjoyed the company of Mrs Gerhardy and Mrs Mimmo. During our writing lessons, we have been exploring different styles of poetry. The class has had fun with using rhyming as a form of communication in their poetry.

We have been investigating volume and capacity during our maths lessons over the last two weeks. Hands on activities have helped us to understand the concept of volume. In addition, we have continued a focus on numeracy strategies during our warm up activities at the beginning of each maths lesson.

We will be starting to practice our end of year performances this week, and will also be constructing props to go along with the items planned. It will be a very busy lead up to the end of the year!

5.11.14

## The Art Gallery

On Friday, we went to the Wagga Wagga Art Gallery. I sat next to Serenity on the way there. We went to see our artworks, inspired by Reko Rennie, Lorraine Connelly-Northy and the Euraba Papermakers, as well as other schools who had joined in the Home Program. Some people got to talk about their artworks. I made a bag called "The Pencil Bag" and a diamond picture called "Aussie Animals". We drew some artworks and coloured them in. I did a graffiti one, a sandy one and a town one. Then we saw a huge colourful kangaroo made out of fun foam.

We went to the Botanical Gardens for lunch after we finished up at the gallery. When we finished lunch, we were aloud to go to the zoo. I was partners with Leila. We got pellets to feed the animals. I got to feed the goats and sheep. Leila got to feed all the other animals. We saw peacocks, donkeys, goats, birds, rabbits, pigs and lots of other animals. Then we went home.

## The art gallery

On Friday, we went to the Wagga Wagga art gallery. I sat next to Serenity. We went to see our artworks, as well as other schools who had joined in the Home Program. Some people got to talk about their artworks. I made a bag called the pencil bag and a diamond picture named Aussie Animals. We drew some artworks and coloured them in. I did a graffiti one, a sandy one and a town one. Then we went to see a huge colourful kang.

We went to the Botanical Gardens for lunch. After lunch, we were aloud to go to the zoo. I was partners with Leila. We got pellets to feed the animals. I got to feed the goats, sheep and and sheep. Leila got to feed all the other animals. Then we saw peacocks, donkeys, goats, birds, rabbits, pigs and lots of other animals. Then we went home.

B U Day  
On Friday, Yerong Creek School went to Lockhart Central School for B U Day. By the time we got to the C.O.L.A. we were put in different groups. I was in a group with Campbell and a old friend from preschool named Clover.  
The first activity was drawing you as a Super hero in a funny costume. There were twenty minutes for each rotation in the day. In the first one people were chose for face-paint one by one.  
Next my group went to disc weaving and weaved in and out of the disc. We did all the rest of the rotations which took a few hours to finish. All the groups came together for lunch and play. We went Home and did Christmas cards.

B U Day  
On Friday, Yerong Creek School went to Lockhart Central School for B U Day. By the time we got to the C.O.L.A. we got put in different groups. I was with Campbell and a old friend from preschool named Clover. The first activity was drawing you as a super hero in a funny costume. There were twenty minutes for each rotation in the day. In the first one people were chose for face-paint one by one.  
Next my group went to disc weaving and weaved in and out of disc. We did all the rest of the rotations which took a few hours to finish. All the groups come together for lunch and a bit of play time. When we left school, had a sausage in bread, we had for school. We come back, had a little to eat and did some christmas cards.

Wagga excursion  
 When we got off the bus at the art gallery we had a snack before we went in. A lady called Linda took us to our art and some art from other schools in the home art program. We drew pictures of our favourite piece of art in the room.  
 Linda then took us to see some art work. The first was made entirely from fun foam. It was about two metres tall. The second artwork was made of glass and metal. Linda said it took six months for the glass to set.  
 Later that day we got on the bus and went to the Botanical gardens to have lunch. After lunch we went on the animal walk. We were given cups of animal food. We could feed all the animals except turtles and donkeys. Then we went home.
