Week 10 Term 4 2018

Dear Parents and Carers,
The school year for 2018 is at an end. On Monday, the students of Yerong Creek Public School entertained the crowd with their performances that they had been excitedly practicing. I hope you were all as impressed with them as I was!

I would like to take this opportunity again to thank each and every one of you who encourage your children daily to come to school with an eager and positive attitude for their learning. The partnerships that are formed between home and school are invaluable in being able to assist each student to be the best they can be.

To the staff at Yerong Creek- you are an amazingly dedicated group of professionals, and you make a difference in the lives of the children you engage with on a daily basis. Take some time over the holiday period to recharge and relax- ready for the start of school in 2019. On a sad note I must inform the school community that Mrs Gerhardy will not be returning next year in the role of RFF teacher as she has other pressing commitments to attend to. She will however, still be showing her smiling face around the school as she will be accepting casual booking days from us.

Please have a restful and joyful holiday period. I will be spending mine catching up with my adult children in different areas of our beautiful country. Stay safe, and I look forward to seeing you all in 2019. ☺

K-2 Class News

As the school year has come to an end, we have been very busy putting together our end of year performance for your enjoyment. We all hoped you loved watching it as much as we loved putting it together. A special thanks to the leadership of Mrs Gerhardy (Mrs Poidevin has no rhythm!)

Username and passwords will be coming home with students today as they have all said they would like to be using these programs over the break (music to a teachers ears!). Also being sent home will be a writing book and pencil for students to write down ideas, stories, or goals they want to share next year at the start of school.

Thank you for allowing me the privilege of sharing in the learning journey of your child. Have a wonderful break, and I will see you all next year.

From the students in K-2 and Mrs Poidevin

3-6 Class News

I would like to congratulate the 3-6 class on their conduct and performance at Presentation Night! I felt our end of year performance was very entertaining and considering that during our rehearsal period we had many students absent, the student's ability to adjust and carry on is to be commended.

I have enjoyed the last term immensely and consider it an honour to guide your children on a small part of their learning journey. Enjoy the holiday break!

Mrs Noske ☺
