Week 4 Term 3 2019

Dear Parents and Carers

Welcome to Week 4. As this newsletter goes out to you, arrangements are still happening behind the scenes for the Bernie O'Connor Carnival on Friday. Thank you to all the parents who are giving up their time to help organise, clean, and staff the canteen. Your help is vitally important to the smooth running of the day.

Next week please keep a note on your calendar that the students will be presenting their Book Week Secret Power at the school assembly on Tuesday. All families and community members are most warmly welcome.

School photos are coming up on the 28th August. Could all families please return their order forms if not already done to ensure a smooth running on the day. Students are expected to attend school in neat and clean school uniforms.

It is Miss Midgley's last week with us this week. I would like to thank her for the lessons she has created for our students, and wish her well in her future teaching career.

The EnviroMentors session held on Tuesday at school was really enjoyable for our students. We will incorporate the ideas next term when the garden club gets up and running.

Our school had a wonderful conclusion to Education Week, when we shared a sausage sizzle, games, and maths activities with parents. It was wonderful to see the support given to highlighting the importance of education to our students.

Congratulations to those students who took part in the Festival of Music at the Sydney Opera House. They were a very excited group and represented our school well. Congratulations ☺.

There is a new parent fact sheet outlining the changes to the School Enrolment Policy. This will be sent out today, along with the newsletter. If you have any questions please don't hesitate to make an appointment to discuss with me

See you at the Bernie O'Connor Carnival on Friday!

K-2 News

Sadly, we must say goodbye to Miss Midgley this Friday. It has been wonderful to have her be part of our class for the 6 weeks over the last two terms. We will miss you, and look forward to staying in touch with your adventures via emails. We finished making a story book each during writing with Miss Midgley, and have been busy

doing our rotation work with grammar, phonics, and comprehension. Our class has shown a fantastic improvement in reading skills. Of particular significance, I would like to say a huge well done to Annaleise. She shows a wonderful eagerness in engaging with her readers. She has already reached over 200 days of home reading this year!!!! Congratulations!!

Our class finishes off our unit on fractions this week. Miss Midgley has been very busy getting to know the different learning needs of our class, and has catered to them very well. The students particularly enjoyed the bean bag fraction game 😊

Due to Tracey being on leave, there will not be a newsletter until Week 8.

Happy Learning.

Kym Poidevin

3-6 Class News

It was great to celebrate Education Week last Friday afternoon. Thank you to the parents who took some time out of their busy lives so that their children could share some of their learning. This term in writing we have been focusing on some of the skills involved in writing. Our students have been writing paragraphs each week to practise these skills. These writing samples are being displayed in our classroom. In maths over the next three weeks we will be focusing on multiplication and division and time. Please practise 'time' with your children as often as possible at home. Students should be able to tell the time using analogue and digital time and 24 hour time.

Next week, at our assembly, I will be presenting some of our students with their pen licence. Students need to meet several standards to enable them to qualify for a pen licence.

We are looking forward to a fun day on Friday at the Bernie O'Connor Football Netball Carnival. Have a great fortnight. 😊

Mrs Noske 😊

Book Week - Reading Is My Secret Power

Students are invited to dress up for the theme – Reading is my Secret Power on Tuesday 20 August. Please remember proper shoes are still needed for school activities.

School Photos

The school photos will be taken on Wednesday 28 August. This year we are using a new company- The School Photographer. Students are to wear the school uniform. Please return the envelope even if you are not placing an order, as it is needed for the photographer.

Assembly

The assembly will be held on Tuesday 20 August at 2.45pm. All families and friends are invited to attend.
