Week 8 Term 4

*Dear Parents and Carers*

Final preparations are being made for the Presentation Evening to be held Monday evening, Week 10. Now that we have the final numbers in for guests, we are mapping out the area that we will need to have under the COLA. A note is going home today with information about the Covid safe requirements that will be adhered to on the night. Additionally, we are asking for the names of each of the family members attending. This will be used to gain access on the day. We will not be able to admit anyone not on our list due to both contact tracing, as well as complying with safe distancing protocols. Thank you for your understanding in regards to the strict protocols, but they are going to be part of our lives for the foreseeable future I think!

Students completed their school drama program and I would like to thank Rachael, our travelling artist, for sharing her passion for drama and literature with our students. I must say I was very impressed with the imaginative way our students role played various characters. It seems we may well have some budding actors and actresses in our midst.

Could I please remind all families of the importance of school attendance. For our educational programs to run at the most beneficial level for your child/ren, they have to be at school. The NSW DET policy states that, unless sick, students are required to attend school each day. If there are genuine extenuating circumstances that are preventing your child from regular attendance, please call the school to book a time with me to discuss.

On a happier note, school swimming is being undertaken this week. The students were great ambassadors for our school as they upheld the School Rules in public. Although they were all pretty tired by home time yesterday, they all said they loved the swimming lessons.

Please remember the P and C meeting will be held this afternoon at 3.30pm at the park. I hope to see you all there :)

Until next time, stay safe and well,

*Kym Poidevin - Principal*

# CLASS NEWS.....

## K-2 Class News

Dear Families,

School Drama finished last week, and we have a new range of strategies to use when we are connecting to our texts, both while reading and when writing. Thank you very much to Rachael for teaching us!

Assessments are in their final days this week. Reports will be finished and sent home next Wednesday. With the reports will be a booking form for parent teacher interviews. I will be available both before and after school for you to come and discuss your child's progress this year and look towards what we will be putting in place for next year.

Kindergarten transition is going very well, and all the K-2 students have been helping our new school mates feel comfortable and happy in their "big school". Next week will be the final transition day, with our new kinder students also attending on Wednesday Week 10 for the end of year party!

Please remember to pack a towel this week for drying off after swimming :)

Until our next newsletter, stay safe and well,

Kym Poidevin

## 3-6 Class News

Dear Families,

Welcome to Week 8! What a busy week we are having with swimming in Albury! It has been pleasing to see progress in all the students swimming abilities after just 3 days! It is a pleasure not to have to worry about the weather or the water temperature with the indoor pools allowing all students to get a good 45-minute lesson every day.

In our classroom we have completed our end of year assessments. Next week will be a normal week of learning followed by a short week on end of year activities.

Thank you to the Year 5 and 4 students for watering our herb garden each day during this term.

Have a great fortnight!

Mrs Noske

## WHS NEWS AND INFORMATION

### ONLINE ENROLMENTS

We are excited to announce we will be rolling out the new Online Enrolment System from Monday, 26 October 2020

The Online Enrolment System is designed to provide flexibility for our parents to submit an enrolment application online and at the time that best suits you. The application can be accessed on all browsers and mobile devices including iOS and Android.

The online application process is currently restricted to:

- Enrolments into local schools only
- Children who are Australian citizens, New Zealand citizens or permanent residents
- Children who live in NSW.

We offer our support and encourage you to complete your application to enrol online. If, however, you do not feel comfortable completing an application online, a paper copy will be available for collection from the front office or can be downloaded from the Department's [going to a public school site](#).

Further information about online enrolment can be found on our website [here](#)

# SRC Student Voice

This year has been a very successful year, not only for the SRC Committee, but also for the entire school. We might not have had any fundraisers but we had a plentiful amount of lunches. We did also provide hot chocolates in the cold months and cold ice creams during the hot months. Together these smaller occasions have enabled the whole school to go to the movies during the last week and a quick visit to Intensity for some games and activities fun!!

Have a wonderful rest of the year. ! SRC Committee.

## Shout Outs

**Kye for following the school rule of : Respect Yourself (Be proud of your achievements).**

**Leila for following the school rule of : Respect the School (Always try).**

**Rori for following the school rule of: Respect Others (Use your manners at all times).**

**Salina for following the school rule of : Stay Safe (Play by the rules).**

## Mrs Poidevins Word Challenge

The challenge, if you choose to accept, is to find as many smaller words in the challenge word. You must time yourself...you have 5 minutes to create as many words as you can. Please hand your list to your teacher by Friday.....

This Week's word is.....extra point given if you can tell me the meaning of the word.
